EVENT SET-UP AND SUPPLIERS

The Wedding Planners Whitsundays requires advance written notice by the client of suppliers being used for event set-up or during the event. The client is responsible for all expenses for such services and payment must be arranged directly with the vendor unless included within the wedding package. Any excess charges including but not limited to damages, cancellation fees, or other additional charges as a result of late notice, from any suppliers (included or not included within the wedding package or contract) are the sole responsibility of the client. We reserve the right to deny permission for services that pose potential damage to our property or violate our terms. The Wedding Planners Whitsundays accepts no responsibility for the services provided by any suppliers/vendors.

EVENT TIMINGS

The Wedding Planners Whitsundays will do its best to accommodate functions that start after the contracted time due to tardy arrival or delays on the part of the client or guests; however, in such situations, unavoidable delays in service may occur for which will not be held responsible. Please have attendees arrive at the scheduled time to ensure the best service and adherence to the contracted event schedule. Events that exceed the agreed event finish time will be at the discretion of the restaurant in terms of additional service fees or forced conclusion of the event.

PROPERTY DAMAGE AND THEFT

The client will be held responsible for damage to property and/or venue. We are not responsible for loss or damage of property of the client, guests or external vendors before during or after the event.

UNFORESEEN CIRCUMSTANCES

If your coordinator is unable to fulfil booked duties due to unforeseen circumstances out of the control and not by fault of The Wedding Planners Whitsundays, a refund will only be applicable to a value deemed suitable by The Wedding Planners Whitsundays or a refund may not be applicable at all.

In the case of forced changes to transport and/or ceremony venue due to weather or for any other reason, a new pricing structure will be advised to accommodate revised transport and/or venue. This could be more or less than the original booking, and in most cases several varying price options will be given. In the case of being less, a refund will be given or you may be given option to select new services and products to that value. In the case of being more, the additional payment will be required prior to commencement of events. Availability and price of revised products and services are not guaranteed until client has confirmed their go ahead of the new option. For example, the Seaplanes are sometimes unable to travel due to weather, wind and/or sea conditions. In this case, we can seek availability of helicopters for your travel to and from Whitehaven, though helicopters will usually be at a higher price. This option may be given to you, or if you do not wish to pay any more, you will also be given options to have your wedding ceremony on a mainland location, therefore additional payment, is not required.

INCLEMENT WEATHER / CHANGE OF VENUE (Decor)

In the event of inclement weather preventing you from having your requested venue, I Do Events (decoration) will endeavour to relocate your requested décor to your alternate venue and/or provide other suitable décor to equal value of your order. Each case will be assessed on an individual basis by reference to the preparation involved and time-frame given for relocation. If not all booked décor is able to be used, unfortunately a refund will not be applicable. I Do Events Whitsundays retain the right to cancel decoration on the day, should conditions deem the decoration unsuitable for use. Again, I Do Events will endeavour to provide other suitable décor to equal value of your order. Example: Should you choose to remain at an outdoor venue where the conditions will affect and/or cause damage to our products.

LOSS/DAMAGES (Decor)

All items remain the property of I Do Events Whitsundays and clients will be charged for loss or damage of any items (with the exception of those listed as items for purchase – candles, flower scatters and bonbonniere). The payment for loss or damage of any items must be finalised within one month of the event date. Some choices on your part that may play a part in irreparable or excessive damage to I Do Events Whitsundays property may include and are not limited to:

- Choosing an outdoor function in the influence of wind, rain and natural elements
- The use of sparklers, matches and cigarettes in the vicinity of decoration
